ONLINE DATABASE

The screenshot shows the SSCT Library website interface. At the top, there is a navigation menu with links for Home, E-Resources, Tutorials, Feedback, and User Profile. Below the navigation is a search bar with a dropdown menu set to 'Search All' and a text input field containing 'Available Content (E-Databases, E-Journals, E-Books, Tutorials)'. A 'Go' button is next to the search bar. To the right of the search bar is a 'Google Scholar' link. A green notification box states: 'you are off campus and can access subscribed resources.' Below the search bar, there are two main sections: 'E-Databases' and 'E-Journals'. The 'E-Databases' section lists seven resources, each with a star icon and a 'Details & Help' button. The 'E-Journals' section lists two resources, each with a star icon and a 'Details & Help' button. On the right side of the page, there is a 'Access via RemoteXs' section with a button that says 'Drag this button to your bookmarks bar!'. Below that is an 'Announcements' section with the text 'There are currently no Announcements for you.' and a 'more' link. At the bottom right is a 'My Favorites' section.
