COLLEGE OF ENGINEERING & INFORMATION TECHNOLOGY

Minutes of Meeting on May 5, 2020

Call to order: The meeting of the Engineering and Information Technology Faculty Members was presided by Engr. Robert R. Bacarro.

Present:

**Please see attach attendance document.*

Agenda:

1. Content of the Academic Council Meeting
2. Instruction
3. Production
4. Research and Extension
5. Other Matters:
 - Program Accreditation
 - Online Faculty Clearance
 - Quarter Accomplishment Report
 - Faculty Load on First Semester

Matters Discussed

1. Content of the Academic Council Meeting

The modified academic policies and guidelines for the 2nd semester A.Y 2019-2020 and 1st semester 2020 – 2021 in light of COVID-19 pandemic was discussed thoroughly by Engr. Bacarro. All faculty members were provided a copy of the said guidelines. It was made clear to all faculty members that request of subjects for summer 2019-2020 will not be allowed, e-load on first semester 2020-2021 will be converted into service credit, for first year there will be only 1 section across all CEIT programs.

2. Instruction

All modules submitted in the CEIT office prior to the implementation of online class were accepted, which implies that there is no need to revise whatever format is being used by the faculty members in the accomplishment of class modules. However, Engr. Bacarro emphasizes that on first semester A.Y 2020-2021 the given format issued from the VPAA must be implemented. In addition, the distribution of faculty load for first semester 2020-2021 might be on the end of May 2020. Further, there is a need to hire an additional guest lecturer for civil engineering and new guidelines for Laboratory class will be strictly observed during 1st semester.

3. OUTCOMES

- Show evidences/manifestations that the College is efficiently and effectively managed.

Gregorio Z. Gamboa, Jr. conducting a meeting on financial manager
